**ITEM 6. SELECTED FINANCIAL DATA**

The following table sets forth selected historical financial data of the Company for each of the years in the five year period ended December 31, 1996. The selected historical financial data of the Company have been derived from the audited financial statements of the Company and Mafco Worldwide prior to the merger with Pneumo Abex on November 25, 1996. Since Mafco Worldwide and Pneumo Abex were under common control at the time of the Merger, the Merger has been accounted for in a manner similar to a pooling-of-interests from November 25, 1996 with Mafco Worldwide as the predecessor company. In addition, Purchaser's basis of accounting is not reflected in these financial statements due to the Company's public debt.

The selected financial data should be read in conjunction with "Management's Discussion and Analysis of Financial Condition and Results of Operations" and the consolidated financial statements of the Company and the notes thereto included elsewhere in this Form 10-K.
