Subject: RE: Connecting

Erik,
We are working on commenting on EPA's supplemental request regarding the 2018/2019 RFS volumes and had a few questions about the type of information EPA is looking for. Any chance you are free for a quick call this week to discuss?
Thanks,
Peter

Erik - Peter has asked me to connect the two of you. I believe there are matters in your portfolio he would like to discuss. Happy to set up and participate in a call if it would be useful.
