Re: Lewis H. Wilson

Dr. Robert Arthur Kehoe has agreed to make the trip to Marion, Indiana. He has also expressed his willingness to testify in event of trial. At first there was some uncertainty in regard to the latter arrangement but Dr. Kehoe is now of the opinion that his schedule can be arranged accordingly.

Dr. Kehoe is to drive to Indianapolis, Indiana Wednesday, November 30th, 1938 and he will call at your office about 10:00 A.M. Incidentally, Dr. Kehoe can be contacted at his laboratory, telephone number University 2665 or at his residence, telephone number University 1320.

It has not been necessary to advance any money to defray the expenses of Dr. Kehoe. We assume that you will take care of this item when he is in Indianapolis.

Yours very truly,

T. J. O'Keefe
