Our first meeting of the new year will be on Thursday, January 15th, at 1:00 p.m., in the Cafeteria Conference Room.

We are involved in a number of projects at present. Alex and his committee are planning to present in the very near future a program on burglary and rape. We are still discussing and planning some type of program for employee families outside the plant. SHAC has requested that we make up slides for the START program. We are busy and each member is needed to contribute and participate in the projects.

See you at the meeting.
