Dr. R. A. Kehoe
College of Medicine
University of Cincinnati
Cincinnati 19, Ohio

Dear Dr. Kehoe:

Here is my draft of the memorandum that is intended for the information of Ethyl personnel who will be involved in customer contacts relative to the increased tetraethyllead limitation. As I told you on the phone, I have no pride of authorship and your comments, criticisms, or suggested revisions would be most appreciated.

With best regards,

Very truly yours,

H. E. Hesselberg
