Dear Mr. Connelly:

As you are aware, Dyneon LLC is a member of the CMA, and as such has made the commitment to the Responsible Care ® initiative. Because Dyneon LLC is a joint venture of 3M and Hoechst, we have relied on the help of many 3M service and support organizations over the two and a half years since our formation. Among these services has been reliance on the 3M Specialty Materials Division for our Responsible Care ® related efforts. Mr. Duane Sanderson of 3M has been our Responsible Care ® Coordinator.

Effective January 1, 1999 Dyneon organized our Quality, Environmental, Health and Safety functions into one worldwide system, under my leadership. Consistent with this new focus is our decision to transfer the duties of the Responsible Care ® Coordinator for Dyneon LLC from Duane to me.

Would you please update your records to reflect this change.
