

Ford Two Way Memo ^{IL-NOTE} FILE A-14 Reference number 327673

To KEN SCHOU jr. ADMIN. GARAGE

M
THERE IS EVIDENCE THAT GARAGE MECHANICS
ARE BLOWING OFF BRAKE DRUMS RATHER THAN
USING THE VACUUM CLEANER AS REQUIRED.

BLOWING BRAKE DRUM DUST IS STRICTLY
FORBIDDEN AND MUST BE STOPPED.

PLEASE TAKE POSITIVE REMEDIAL ACTION WITH
ALL MECHANICS AND ADVISE THE WRITER.

THANKS.
