Hi EPA Press--

I'm a producer at CBS SUNDAY MORNING and I'm writing to see if Administrator Pruitt would like to be profiled on our broadcast.

This would be a 10-14 minute taped piece shot on location in DC and at EPA work sites around the nation.

I'm sure you know that CBS SUNDAY MORNING is the highest rated morning show on television and the second highest rated magazine show( next to 60 MINUTES). We have the rare distinction of being watched and loved by both Republicans and Democrats, young and old, and we're the only program that celebrates America's natural beauty on every broadcast.

Would this interest Secretary Pruitt? Can we discuss this further? I'm at [Ex. 6]

All the best,

Emily J. Lazar  
Special Projects Producer
