Minister for Health
Health Department
PERTH

Dear Sir,

This will acknowledge your letter of the 9th instant regarding a Doctor for Wittenoom and setting forth the terms under which your Department will contribute toward his salary.

We definitely feel that a full time Doctor is essential to Wittenoom for the peace of mind of the inhabitants and for emergency purposes and we accept the terms outlined in your letter.

I understand that this matter had been finalised by Mr. Broadhurst while he was in Perth and that B.M.A. had advertised for a Doctor in the Medical Journal so far without results.

Any assistance you can give us to accelerate the matter will be greatly appreciated.

Yours faithfully,
AUSTRALIAN BLUE ASBESTOS LIMITED
