Dear Ms. Rippey:

This is to advise that our product, Geon 86206 White 125 (PVC-111)

will meet fully the requirements of the
U. S. Food and Drug Administration as set forth in their Food Additive Amend-
ment Regulation (s) 175.105; 177.1210 and general food contact with foods
of high water content only.
There are no limitations to its use under this (these) regulation (s), except
as follows: The final food contact article must meet the extractive
limitations imposed by the above or applicable regulations.

Very truly yours,
