Part II

Part II is omitted because the Company has filed a definitive proxy statement with the Securities and Exchange Commission pursuant to Regulation 14A which involved the election of directors.

Form 10-K

This annual report incorporates all material required in Form 10-K filed annually by the Company with the Securities and Exchange Commission. The table of contents for Koppers 1978 10-K is above. The annual report and the 10-K are meshed into one document to give all our shareholders, as well as others interested in Koppers, timely access to this comprehensive material.

(Portions of the 1978 annual report to Koppers shareholders, such as the "Letter to Koppers Shareholders," are not required by the Form 10-K report and are not "filed" as part of the Company's 10-K. Only those sections of the annual report referenced in the above index and in the section on page 26, "Koppers Board of Directors and Officers," and in the index on page 42 are incorporated in the 10-K.)
