Kimberly Shirley Bolin

Thanks so much for taking us to the Christmas tree lighting! It was great to spend time with you and lots of fun. Apparently, it aired last night and we were on tv. I looked confused and Printz was sucking on a peppermint! Lots of fun tho. You'll have to come by the apt now that we are settled.

Loved having you guys! When do you guys leave for MS? Daddy and Howie fly in late afternoon today and then Daddy heads to Chicago tomorrow evening for five days and then back here until after Christmas
