Dear Hank:

Please find enclosed the shipping documents covering 5 containers of blue asbestos aboard the S. A. MORGENSTER, departing August 30th from Port Elizabeth, arriving Houston approximately October 7th.

Also enclosed is the letter of Sale in Transit to the Customs Director.

Please note this is the first shipment made on a "freight collect" basis so be sure to have your Traffic Department handle this directly to the Port.

If we can be of any further assistance, please let us know.

Very truly yours,
