Mr. [REDACTED]
Jackson Place
Lockland, Ohio

Dear Mr. [REDACTED]

The Industrial Commission of Ohio has requested me to recheck your physical condition and to make report to them. I would suggest that you come in to see me as soon as you can. I am expecting to be in the laboratory every day this next week, but it would probably be advisable if you were to come on Tuesday or Wednesday.

Very truly yours,

RAK:IS

Robert A. Kehoe, M.D.
