TSCA PCB Regulations

J. H. Craddock
B2SC

I just received the attached from David Zoll of CMA. EPA presented it to those attending the 12/5/80 meeting. Look it over and let's meet and discuss a Monsanto response.

- Craddock said he is discussing
request with Condray and
Monsanto chemists to determine
if impacts MC - if it might
estimated cost of obtaining data.
- Hill will get back to me
