Thank you,

Tate,

Good speaking with you just now! I just checked, and radio city is not even a ten minute drive from my firm, Proskauer Rose, located at 41st st and 8th avenue. I'm certain we could host by me, if that would work on your end.

Best,

Josh

Roping in my colleague Millan who is coordinating the trip. We will likely be coming from Radio City Music Hall. May I give you a call in the morning?

Hi Tate,

Thanks for helping to set this up! Early morning is probably best if possible (8am would be great), although later morning can work as well if that's too early.

Location I think is flexible--midtown would probably make sense, and I can get you a specific suggestion or two once I organize the rest of the attendees, assuming that works on your end.

Looking forward!

Josh

Hey Josh! Is there a good location and time that morning on your end?

Tate: I'm looping in Josh Esses with our NYC young lawyers chapter. He (along with Michelle Roberts) could help put something together. We'll gather a dozen or so of our young lawyers members for a meeting with Administrator Pruitt. Let us know the best timing/location, and we'll start

working on those details.

If you need anything further on my end, you can reach me on my cell at 202-257-9494. I'll be leaving Thursday morning for a conference in Houston, but I'll be checking messages.

Hi Lisa-

Tate Bennett with EPA Public Engagement and Environmental Education here. I handle some of the Administrator's proactive agenda and site visits.

Just gave you a buzz, Lisa, but I wanted to follow up about a potential meeting for Administrator with your NYC Chapter or Chapter Leadership next Thursday the 28th of September(?). Administrator Pruitt will be in the area and would love to get together.

This could be a small or large gathering, and it would not preclude a future visit. Give me a shout when you can?

Tate
