BASS-HUETER PAINTS and VARNISHES

"The Way to Beautiful Homes"

Stand Hard Use

Drainboards—subjected to constant scrubbing, hot dishes, scalding water and spilled fruit juices—need protection. By varnishing a wood or composition drainboard with VERSATILE SPAR VARNISH, it can be kept clean readily, with little effort.

Other surfaces that must stand hard wear should also be given a coat of Versatile Spar. For hardwood floors, linoleum, table tops, or front doors, it will prove both attractive and serviceable.

We will gladly suggest which of the many B-H Products is suited to your particular painting need. For exterior painting, we recommend B-H Pure Prepared Paint.
