UNIVERSITY OF CINCINNATI
[INTERDEPARTMENTAL CORRESPONDENCE SHEET]

To Dr. Robert A. Kehoe, Director
Kettering Laboratory of Applied Physiology

From John P. DeCamp, Date June 20, 1951
Director of Public Relations

Dear Bob:

From the Burns Compiling and Research Organization, Chicago, with which you may be familiar, I have a request for a brief two or three-paragraph description of your Foundation. Will you be kind enough to send this to me in duplicate, so that I can retain a copy to take care of any similar requests that may come in the future? Thanks and regards.

Cordially yours,

John
