Soviet tanker with the showing of a Russian film, "The Bear" as part of the entertainment.

The movie, describing the struggles of the Russian people against the czarists, ended with the bottle smashing hundreds of champagne bottles in the revolution.

After showing of the film, the party guests had another round of champagne as Chaplin proposed a "good health" toast in Russian.

Held aboard the S S Batumi, a Soviet tanker moored in Long Beach harbor, the party began at 7 p.m. Sunday and broke up at 4 a.m. yesterday.

Chaplin's wife, the former Oona O'Neill, Actor John Garfield and his wife, Roberta, and Lewis Milestone, Russian-born film director, were some of the guests of ship's Capt. Vladimar Petroff and Alexander F. Graeber, of the Soviet purchasing commission.
