Dear Mr. Holmes:

Thank you for your letter of April 26 explaining the action of the Air Hygiene Committee with respect to the memoranda which the Foundation had submitted to the Institute. Should your interest in these subjects be renewed at a later date, we would be very happy to discuss them with you.

I hope that if you are in the vicinity of Pittsburgh at any time in the near future, you will stop in at the Institute to pay us a visit.

Sincerely yours,
