

1 A Well, we were plasterers doing the
2 partitions and the ceilings and everything that a
3 plasterer does.

4 Q Now, what kind of work did you do plaster-
5 wise. We have heard before that plastering is divided
6 up in a couple of different stages.

7 What kind did you do?

8 A I was a finish plasterer.

9 Q Finish plasterer?

10 A White coat.

11 Q What, if any, kind of plaster was Mr.
12 Vandergucht doing?

13 A Mr. Vandergucht was a base coat on this
14 particular job.

15 Q Base coat?

16 A Yeah, that is the first coat, the brown coat
17 we call it.

18 Q Brown? Okay.

19 A Yes.

20 Q Therefore, would Mr. Vandergucht have put
21 his plaster up before you would have come along?
