Congratulations! You have been elected as member of the Hourly Safety Committee for the 1980-A Term which expires December 31, 1980. You will be notified of the date and time of your first meeting during January, 1980.

The Plant Manager's Safety Board appreciates this opportunity to work with you. Like the committees that have served in the past, we feel certain that this committee will continue to contribute greatly to the success of the safety program.

As previously stated in the plantwide bulletin, the new Hourly Safety Committee chairman for the 1980 A-Term will be elected at the first meeting of the committee.
