

(Drislane - Purcell)

1 reads "Recommendation made that the FMSI Asbestos Study
2 Committee maintain close liaison with AIA/NA."

3 Do you see that?

4 A Yes, I do.

5 Q AIA/NA would be the Asbestos Information
6 Association --

7 A Yes.

8 Q -- of North America?

9 A Yes.

10 Q Okay. Was there ever a point time, to your
11 recollection, when you served at the FMSI that this
12 recommendation changed in anyway?

13 MR. FRIESTEDT: Objection to form.

14 A No. But it was -- to me it was not a guideline.
15 We maintained contact, they put us on their mailing list for
16 stuff and we sent stuff to them when it related to the
17 Asbestos Information Association.

18 Q On page 3 of Exhibit V on item 8, where Mr. Weaver
19 is indicating recommendations and a few of his thoughts and
20 suggestions, he recommends in item 8, quote, Follow as
21 closely as possible medical and occupational health research
22 concerning asbestos and asbestos-related diseases and
23 determine whether FMSI or its member companies should help
