March 13, 2018

Mr. Lee Forsgren  
Deputy Assistant Administrator, Office of Water  
U.S. Environmental Protection Agency  
1200 Pennsylvania Avenue, NW  
Washington, D.C. 20460

Dear Deputy Assistant Administrator Forsgren:

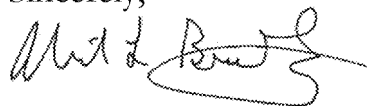

On behalf of the U.S. Chamber of Commerce, we want to invite you to speak at our Spring Joint Committee Meeting, which will be attended by Chamber members that make up our Government Operations, Oversight & Consumer Affairs, Environment & Agriculture, and Energy, Clean Air & Natural Resources committees. These three committees develop Chamber policy on energy and environment regulations, as well as general regulatory reform.

The meeting will be held on Wednesday, May 2, 2018, at Chamber headquarters, located at 1615 H Street, NW, Washington, DC. Chamber board members and committee chairmen, Harry Alford, Robert Agbede, and Kathy Beckett, will be presiding over the meeting. The committees would appreciate hearing your views on water issues, including EPA's efforts to repeal and replace the 2015 "Waters of the United States" rule and the Agency's interpretation of the "direct hydrologic connection" theory, and other related regulatory reform measures.

We hope that you will be able to participate in the meeting. Amy Weaver, Senior Manager for Coalitions in the Environment, Technology & Regulatory Affairs division, will contact your office to confirm the details of the meeting and the timing of the speech.

Thank you for your consideration of this invitation.

Sincerely,

Neil L. Bradley
