Mr. Arnold Kramer
Supervisor Safety & Health P & PG
Certain-Teed Products
P. O. Box 860
Valley Forge, Pennsylvania 19482 215-687-5000

Called requesting a copy of the agenda to be sent to him for the May 15 and 16, 1975 meeting. Under his new title, he would like to be added to the mailing list. He mentioned that Mr. C. A. Gellner who is presently on our mailing list had been transferred to Lake Charles as Plant Manager. He did not have his address but thought that he would like to remain on the list. Evidently, all his mail received at Valley Forge is forwarded to Mr. Gellner.

I did not add Mr. Kramer's name to the mailing list. Perhaps at the meeting in May if they both attend, they can decide which person to remain on the mailing list and that person can forward a copy to the other.
