Dear Fred:

Subject: Asbestosis Cases
DuPont Jobs

Listed below are known asbestosis cases that have been positively identified with DuPont or are highly suspect.

- | | |
|-----------------------|--------------------|
| • J. Lawrence Cable " | R. Lantz " |
| F. M. Campbell " | • W. E. Matthews " |
| R. M. Davis " | G. W. McDaniel " |
| • F. L. Joinville " | A. E. Ulrey " |
| J. F. Joinville " | H. E. Walter " |

• Suspect

These cases are all pending. There are many closed cases which have not been shown because obviously nothing could be done about them. How many of the closed cases involved DuPont, I do not know.

You may find that presenting this list to DuPont will present problems to you. Undoubtedly DuPont will try to prevent these people from being employed by you at its job sites. I don't know whether you have any latitude in the selection of your employees or not; if you do not as of now, perhaps DuPont's refusal to accept these people on its job sites will give you a valid reason to refuse to employ them. This is probably completely unrealistic thinking.

Please let me know if I can be of further service.

Sincerely yours,

Wallace B. Hofferth
Insurance Manager
