Subject: RA Meeting on the 30th

Ken,

I want to follow up on our conversation from Friday regarding the RA meeting on January 30th.

First, I understand the meeting will be with you and the RA's directly after your larger meeting with 300 Senior Executive Staff, in a room at the Omni.

I appreciate you and the RAs making and taking time for the opportunity to meet with myself, John Stine and a few other State Commissioners.

This meeting is an important opportunity to provide the RAs an introduction to Cooperative Federalism from the states' perspective, to explore how RAs can get engaged with Cooperative Federalism 2.0; and explore what a consistent and productive State Leader/RA relationship should look like. As you indicated, based on the background of many of the RAs, this should be a productive conversation.

Thanks again for helping to arrange the meeting.
