**Attachments:** Draft Review Plan EO Promoting Energy Independence and Economic Growth 04192017.docx

Greetings, attached is a Draft of the Review Plan addressing Section 2(c) of the EO. The plan was developed with input from the following WO Director staffs: EMC, Special Uses Management, and Lands and Realty Management, WFWRRP, Rangeland Management and Vegetation Ecology, Engineering, WWSR, along with ORMS and OSCC.

The Review Plan is due to the Director of OMB by May 13, 2017.

As follow-up, there was a question from the review group if OBPA had been engaged. Also, I had heard an outcome of last Friday's Director's meeting that Glenn was to notify the Dept. that the Fs had a response to this EO. Is there any additional information to these ends?

Please let me know what else might be needed to complete this task. LM
