A I was.

Q Did you have an opportunity to operate on Mr. Vandergucht?

A I did.

Q Were you also one of his treating physicians?

A I was.

Q Sir, can you tell us a bit about your educational background, where you went to college, school and postgraduate work?

A Premed was Johns Hopkins University, medical school was University of Maryland, internship and residency was York Hospital in York, Pennsylvania; and since 1971, I have been in Carroll County General Hospital with active staff privileges.

Q Is that the only current hospital that you currently have active privileges in?

A Yes.

Q Do you also reside up there in Carroll County?

A I do.
