

States Department of Agriculture shows more low-income families are using meat, poultry, fish and eggs, more milk and milk products, except butter, more vegetables and fruits, especially citrus, and more tomatoes and green and yellow vegetables, she said.

Higher-income families are eating better, too. Even the top third income group is eating more milk, fruit and vegetables.

Service league to mark 24th anniversary fete

The National League for Woman's Service of California marks April 12 as an important day for on that date in 1926 the Women's City Club of San Francisco, home of the National League, was opened for the first time.

To celebrate the 24 years of activity in the clubhouse at 465 Post St., San Francisco, the board of directors of the organization has issued cards for an open house April 12 from 3 p.m. until 7 p.m.

Mrs. Leo V. Kothe, president, assisted by the board of directors, and volunteers will welcome the guests and show them through the building.
