CINCINNATI APPOINTMENT

Walter H. Lessmann, assistant white-lead and oxide sales manager at the St. Louis branch, has been named an assistant manager of the Cincinnati branch. His appointment becomes effective June 1.

NEW COMMITTEE FORMED

A new committee, to be known as the Industrial Development Committee, has been organized with the following personnel:

C. A. Geatty, chairman,
D. A. Merson, L. G. Reichhard,
W. P. Carroll, J. A. Taylor.

The committee will deal with the development of new products and the improvement of present ones in the field of metals, their oxides, and allied materials.

NEW YORK BOWLERS CLOSE SEASON

The 1939-40 bowling tournament of the New York offices and plants will be brought to a close with a dinner on May 24. Approximately 180 are expected to attend.

The Atlantic Branch Dock Department team, which ended the season in first place, will be honored as the first holder of a plaque selected as a permanent trophy to be competed for each year. In addition, prizes will be awarded at the dinner to members of the teams finishing in first, second and third places and to individuals having high averages, high series and high single game totals.
