Aaron and Alex,

Congratulations on your appointments! I know you'll both be great public servants and hope you are settling in ok.

I realize you must be drinking from a fire hose and don't want to overwhelm you, but given sensitivities on timing for companies to make decisions, I am writing to see if we might find a time to discuss AFPM's petition for an extension of the one-pound RVP waiver opt-outs in some of the midwestern states.

Please let me know if there is a good time for us to connect.

Thanks,
Geoff
