

FIELD PROBLEMS AND LITIGATION STATUS REPORT
NOVEMBER 1, 1982

Litigation

1. Connecticut (Application of CertainTeed, Inc. and Johns-Manville Sales Corporation for Declaratory Ruling)

No change in status.

2. Pennsylvania, Blairsville (Blairsville Committee for Safe Drinking Water v. Blairsville Borough Water Authority)

Number of plaintiffs attended EPA Summary Workshop on Ingested Asbestos. It is possible that the Workshop's conclusions may discourage going forward with the litigation.

Legislation

1. Massachusetts General Court (House Bills 1473 and 3817)

No change in status; not expected to be reported out of committee.

2. New Jersey State Legislature (House Bill 1591)

No change in status; not expected to be reported.

2. Pennsylvania General Assembly (Senate Bill 1197)

Special counsel expects the bill to die at the end of the legislative session.

Field Problems

AACPP Staff not involved with any field problems at this time.
