

1 A We gave them information that we gathered on brake
2 shoes used on the original equipment of vehicles like we had
3 given the brake lining to the active members.

4 Q What type of FMSI documents or information would a
5 licensee not receive?

6 A He would not receive brake lining information.

7 Q Would licensees attend meetings?

8 A No, not unless they were on certain committees.

9 Q Licensees could serve on committees?

10 A Maybe not at this time but later on they could,
11 yes.

12 Q Could a licensee, an individual affiliated with a
13 licensee have any elected positions such as president or vice
14 president of the FMSI?

15 A I don't believe so.

16 Q It's during this time period that you indicate
17 that Mr. Art Litchfield who had long served the FMSI as
18 chairman of the Data and Technical Committee retired in
19 1965. Do you know what time periods Mr. Litchfield served as
20 chairman of the Data and Technical Committee?

21 A No.

22 Q You indicate also that in this time period there
23 was something called the New Brake Performance Study
