Hi [REDACTED]

A site meeting 26th October works for us – I will book you all in. Please report to reception to sign in, I'll come and meet you and we will head to the White House-Training room on the plant.

Please could you let us know the planned agenda for the meeting? Is this to discuss the PFOA deposition report? Are you able to let us know if this has been updated following the comments/information, we provided on assumptions used for the deposition model?

If there are particular areas of the plant/process, you wish to see please let us know.

We can give a general update too.

Kind regards,

AGC Chemicals Europe, Ltd.
