10th and Byrd Streets
Richmond, Virginia 23219

Dear Mr. White: -

This is in response to Mr. R. C. Parsons' March 20 letter to our Mr. Thomas requesting data on lead in paints that Du Pont sells to your company.

The following products contain the indicated amount of lead:

874-5462	Omaha Orange	29.38% of total solids
876-5549	Antique Gold	0.13
876-5580	Tilo Yellow	1.45
876-6549	Accent Gold	0.12

The list of coil coating finishes sold to your company also included the following codes all of which are formulated on a no-lead added basis:

828-090	Gray Primer
833-903	Blue Backing Enamel
874-5257	80 Gloss White
876-5169	Highland Green
876-5172	Antique Ivory
876-5258	30 Gloss White
876-5364	Pebble Beige
876-5372	Scotch Red
876-5427	White
876-5529	Burnished Green
876-5548	Royal Brown
876-5551	Slate Blue
876-5552	Jade Green
876-5553	Ash Beige
876-5554	Spanish Green

N38348

Mr. G. F. White, Jr.
