The PAINTER MAINTENANCE SAL

CLEVELAND, OHIO

October 4, 1951

R.B. Bradley
OCT 11 1951

Bulletin No. 52

Subject: Lead-in-Oil

In view of the critical Pig Lead situation and the fact our NPA allocation is only 18% of the amount requested, it will be necessary to discontinue the sale of Lead in Oil.

Should this be reinstated at a later date, you will be advised.
