Dear Mr. Zabriskie:

This will acknowledge your letter of November 17 advising that effective January 1, 1942 the Socony-Vacuum Oil Company will terminate the arrangement with this company under which our Medical Department has been furnishing medical service to the employees of Socony-Vacuum and its affiliated companies at 26 Broadway and other locations. I am accordingly passing this advice along to our Industrial Relations and Medical Departments.

With our thanks for your expression of appreciation for the assistance which our Medical Department has been able to give your companies please also accept my best wishes for the success of your undertaking.

Very truly yours,

CFS/F
