

NEG. NO. L-12

TRADEMARK FILE INFORMATION

Trademark: Asbestile
Trademark Owner: H.W. Johns-Manville Company
Last Assignee: Johns-Manville Corporation
Date of First Use
in Commerce: July, 1910
Registration No.: 118,882
Date Trademark
Registered: October 9, 1917
Size of Label in
Trademark File: 7.1250 x 5.2500 inches

Receipt of Pictured Label by Patent Office:

J-M ASBESTILE LIQUID CEMENT

DIRECTIONS FOR MIXING ASBESTILE

Use a large size pail. Take six quarts of Asbestile Liquid Cement. Weigh out 21 lbs. Asbestile Fibrous Mineral. Gradually sprinkle this into the liquid cement and mix until the two ingredients are thoroughly incorporated. Be careful to use exact quantities as above or in proportion.
