Good morning,

Hopeful that this email finds you well! Administrator Pruitt let me know that you all discussed him participating in the SALLT meeting. I am happy to connect you with Maddy who will be taking over for me as the Executive Scheduler beginning tomorrow. If you would kindly fill out the attached form so that we may begin the process of looking to get it on the calendar, that would be great. Please don't hesitate to ask if you have any questions!

Thank you!
