

1 THE COURT: Overruled.

2 A I didn't particularly look for that, but I
3 know that he did other types of work in addition to
4 brake work at other times in his life that
5 theoretically, I suppose, could have exposed him,
6 occupationally, to asbestos.

7 Q And is that information the information that
8 is reflected in the one-page summary sheet that we
9 talked about just a second ago?

10 A In part. I don't have the complete records
11 in front of me, but my recollection was that in some
12 of the medical records there was some elaboration of
13 some of his occupational history, and some of that
14 impression may have been called from some of his
15 records as well.

16 Q I don't want to spend a lot of time on this,
17 but do you have the one-page summary?

18 A Yes.

19 Q Could you go ahead and read that to the
20 jury, please.

21 MR. IGNATOWSKI: Objection, Your Honor.
