

and if you are a serious student of our times you will want this series for your permanent library. Volume 1, THE GATHERING STORM, is also in stock.

And while we're on the subject of England The Poor Scholar has a rather unusual item for dog lovers—DOGS IN BRITAIN by Clifford Hubbard, \$6, with data, and information on 340 varieties.

The Children's Room is looking very well these days. The shelves and tables are bulging with good things for your young ones—delight and with Easter just around the corner it seems fitting to trot out and dust off again The Poor Scholar's favorite adage Books Make the Best Gifts.

The Poor Scholar wishes to remind you that not once today has he made a bad pun about April Fool's Day. They should give Oscars.
