Re: Nevada Power Company v. Monsanto, et al.

Dear Nik:

I am returning to you the amended responses with respect to the above matter which we received today. I have marked and circled in red the changes. Basically, the changes are just typo's which consist of the spelling of Mr. Matteucci's name and PCB's. There is also quite of bit of inconsistency with the word "Plaintiff".

I will be downtown tomorrow, so give me a call and let me know when I might pick these up and have Mr. Matteucci sign them.

Sincerely,

Ellen Blair,
