Subject: Re: Scott Pruitt should RESIGN

Oh and the lavish office furniture and \$43k phone booth....necessary??? I think not. Pruitt is an absolute disgrace and should resign immediately.

Dear EPA,

Scott Pruitt should RESIGN due to his assault on the environment, corruption, outrageous spending on travel and security, and his hatred of the EPA as an organization in general.

He would be better off just working for a fossil fuel company directly, since that's the community that he's serving currently anyway.
