Mr. John Meyer, Manager
Universal Zonolite Insulation Company
Libby, Montana

Dear Mr. Meyer:

On July 16, 1942, I wrote you regarding the control equipment which you were installing in the mill at the mine and asked you to notify me of the status of this installation.

Since I have not heard from you in this regard, I am wondering if you might have overlooked this matter. Will you kindly return the post card I sent you giving me the information I requested?

Trusting that you will forward this information to me in the near future, I am,

Very truly yours,
