Dear Mr. Smith,

I confirm telephonic conversation of today, when you advised us that Dr. Bateman and his chauffeur, would travel to Newcastle on 14th September, and be with us on the 15th, returning to Rochdale on the 16th. We have therefore written to the Royal Station Hotel, asking them to reserve rooms for the nights of Tuesday and Wednesday, 14th and 15th September, as per copy letter attached, and I am enclosing herewith 15 petrol units to cover for the journey.

With reference to the six men who have to be X-rayed, Mr. D.R. Shepherd, our Employment Manager, is making contact with Dr. W. Davidson, The Willows, Clayton Road, Newcastle-on-Tyne 2, to arrange for the men to present themselves next week, at a time suitable to Dr. Davidson, and it is hoped that the results of the X-rays will be available for Dr. Bateman when he visits us.

Regarding the journey from Newcastle to Washington, as you know, it is rather difficult for a stranger to locate the factory; therefore Mr. Shepherd, of our Employment Division, will call at the Hotel at 9.30 on the morning of the 15th September, and guide them out here.

Yours faithfully,
