Dear Bob:

Enclosed you will find a somewhat demented letter which I think comes from Dr. Bones of General Motors Co. in California. I assume that he has succeeded in stirring up a mess, but I have no idea how much of what he says is fact and how much is fiction. I don't particularly care, but I felt that you might wish to see evidence of what is going on since I know you have been involved in the matter in the past. I certainly will have no occasion to write to or see Dr. Bones so you may destroy this after you have read it unless it will serve you some useful purpose.

Warmest regards.

Sincerely yours,

WFA

Dear Mr. Ashe,

The South Gate Plunkett
Tragedy has entered its final phase -
Industrial Commission Hearings,
compensation, Civil Court
action, suits against individuals
(Gen'l Mgr. is being sued for \$100,000
personally), Laming of G.M.C. for
malpractice, practice without license
etc, and Johnston - will have 5
charges against him - Etc. So
yes the "scuttlebutt" about 22
cases have already filed &
virtually won their cases. - and the
Co. has already lost \$200,000.

figure will go to \$500,000! And
feel like saying "Ready, Go dy,
I told you so"! Cannot but think
that most of this trouble would
have been averted had K. have
supported me in Calif. Plan
to see him in 2 days to
learn how and why he knifed
me - other than being very
angry with me -

Have heard you were not very
happy at U.C. and will under-
stand why. - Hope you like your
new association -

I've already made 3 trips to
Detroit to give the authorities
the South Gate facts, but I can't
get ~~the~~ ^{the} ~~the~~ ^{the} hearing. This is

As an expert witness in the cases
of Shunkin and Wilson the
last four half days. W
mended by every one but the
attorneys for G.M.C. & only
means I'll be over. Several
M.D.s. that G.M.C. will try to
ruin. Who said, "Honesty is
the best policy"!

Have you given up Surg. M.D. - ? -
You're too competent and honest
to stay in that field unless its

as M.D. - how would
you a connection to U.C.H.A.
Mrs. Fred Bryan, Prof. of
Surg. one of my best con-
sul.

him about you. - Anything else
I can do for you in Calif.
will be a pleasure. Just
let me know. -

The quotation "There are
no brains in The Med. Dept.
of G. M. C. in Detroit," still
goes - Brewster is a very
poor excuse of an M. D. -
and is completely at sea
as Med. Director. - But for
his other qualifications
the "What a mess!"
