Good Morning Millan –

I am following up on Rock's earlier note to you. On CIPA's behalf we submitted a meeting request for the group to see Mr. Pruitt during next week's call-up here in Washington, DC. We are still hoping to finalize a meeting time. We would appreciate any help and guidance you can provide. I know this is a busy time. Thank you for your consideration! David

Millan—

Great to meet you last week at our meeting between DEPA and Mr. Pruitt at the Capitol Hill Club. As I mentioned, CIPA will be hosting its own call-up of our members May 10-11. We would welcome an opportunity to meet Mr. Pruitt in his office (or any other location convenient to him) to discuss California-specific EPA issues with the Administrator, particularly the Underground Injection Control Program (UIC). We typically have about 20 participants each year, but we can also send a smaller contingent to the meeting if desired. Anytime on Wednesday 5/10 or Thursday 5/11 works for us. Also, if it is more convenient, we are hosting a dinner at the Palm Restaurant Wednesday night at 6:30.

Please let me know if Mr. Pruitt is available to meet. Thanks again for all your help and we look forward to seeing you again next month.

Best,

Rock Zierman
