Hi there,

I hope you enjoyed the holiday weekend!

We're looking to do a follow up piece about the current state of the Bay and the progress that's been made in terms of its funding. Would anyone be available this week for a brief interview? If not, a statement like last time will suffice.

Thank you,

Hallie

Hey Hallie, you can attribute the following statement to an EPA spokesman.

"We continue to work with Congress to ensure that shared environmental goals of the region are met, including ensuring the Chesapeake Bay remains a priority." – EPA Spokesman

Hello:

Just wanted to write and inform you that my piece is airing Tuesday and is still missing a response from the EPA. I wanted to provide you with one final chance at a statement before then.

Thanks,

Hallie

Good afternoon,

Circling back to see if there's any update. A written statement would also suffice if there's no other alternative available at this time.

Thank you,

Hallie

Good morning,

My name is Hallie, and I'm a reporter with Maryland Capital News Service. I hope this email finds you well!

I'm working on a story about the possible outcomes of the Chesapeake Bay losing its federal funding. Ideally, I'd like to set up a time to talk to someone from the EPA on-camera. Please let me know if there's any availability on your end next week.

Thank you so much,

Hallie
