Re: Robert/Tanya Henderson vs. Asbestos Companies, et al.
Our Client: Flamemaster Corporation
Case No.: Dallas County Civil District, Case N. DC10-07003

Dear Ms. Clancy:

We represent Flamemaster Corporation. Flamemaster has forwarded to us a copy of the Henderson Complaint. As set forth below, we believe that it is impossible that the plaintiff was exposed to asbestos from a Flamemaster product. Flamemaster has been voluntarily dismissed or obtained summary judgment in all California asbestos cases.

Attached is a declaration of the CEO of Flamemaster Corporation in a local case in which summary judgment was granted. Please review this with your client and confirm our belief that he had no exposure to asbestos in Flamemaster products.

We request that you dismiss Flamemaster without prejudice in exchange for a waiver of costs if

you are in agreement. Flamemaster is amenable to a dismissal without prejudice such that the plaintiff can bring Flamemaster into the case if necessary.

If you need any additional information, please let me know.

Very truly yours,
